

INSTRUCTIONS & INFORMATION

SEAT KIT - UPGRADE

Part Number 503698

Used on 100V Series Grasshoppers with SN 6310000 & above, except 124/41.

Used on 200V Series Grasshoppers.

Used on M1 200 & 300 air cooled Series Grasshoppers with SN 6000000 & above.

INSTALLATION INSTRUCTIONS:

(Refer to illustrations)

- Place unit on a hard level surface.
- Disengage PTO and stop engine.
- Set park brake and remove key from ignition.
- Place steering levers in the "neutral swing-out" position.
- Remove the seat belt from side members. Notice the position of nylon washers when seat belt is removed, as it will be reinstalled on the new seat assembly.
- Remove back cushion and arm rest cushions from existing seat assembly. Arm rest cushions will be reinstalled on the new seat assembly.
- Tilt seat up and remove bolts securing seat sides, seat cushion and seat reinforcement. Seat reinforcement, seat cushion and seat bolts will be reinstalled on the new seat assembly.

NOTE: To install kit on units with serial number 5999999 and below, also order Seat Reinforcement (order #722388) and replace existing seat reinforcement.
