

# INSTRUCTIONS & INFORMATION

## AUXILIARY TRASH SHIELD KIT

Part Number 504642

Use on 900 Series Grasshoppers

### INSTALLATION INSTRUCTIONS:

(Refer to illustrations)

- Place unit on a hard level surface.
- Disengage PTO and stop engine.
- With the steering levers in the swing out neutral position, tilt seat forward. Remove the two seat springs.
- Install debris shield flap with mount (items 1 & 2) on seat cross member with flap facing forward and upward. Reinstall seat springs with existing bolts to secure debris shield mount.
- Loosen cross shaft brackets and lower shaft.

- From underneath tractor, position trash shield (item 3) above brake cross shaft. Position rear flange above engine's cross member and secure with (2) .25" bolts. If holes are not present in the cross member, secure with two trash shield clamps (item 4) bolted to the trash shield. (See Fig. 1)
- Reinstall cross shaft brackets.
