

INSTRUCTIONS & INFORMATION

ADJUSTABLE STEERING LEVER KIT

Part Number 503704
Use on 600 Series Grasshopper models

INSTALLATION INSTRUCTIONS:

(Refer to Figure 1 and illustration on page 2)

- Place unit on a hard level surface.
- Disengage PTO and stop engine.
- Set park brake and remove key from ignition.
- Remove the old steering levers from steering lever mounts. Fasteners removed will be reused to install new extended and adjustable steering levers.
